Job-Shadow over Spring Break

Now that you have an Expo under your belt, you might have a better idea of what you want to do beyond the hedges. Or maybe you made some great connections, but are unsure of what companies you find interesting. Either way, externships are a great way to take the knowledge you've gained into the workplace!

These one to five-day job shadowing opportunities are available all over the country in a variety of industries, no matter where you're spending Spring Break!

Externships occur over March 12-16. Apply by Tuesday at 11:55pm. Contact Michelle Passo for more information.
Changing your major? Don't apologize!

Did you know that one in three students will change their majors before graduation, according to Inside Higher Ed? Exploring different career fields is completely normal, and in fact, it's something we encourage you to do! Don't feel bad about shifting your focus -- instead, look at it as a step in the right direction.

The CCD can help you in every step of the process, from assessments, to one-on-one appointments, job-shadowing, internship and job searches, and more! Reach out to us at any time -- ccd@rice.edu, or check out the great resources in Handshake.
