What are you doing this summer?

Happy last day of Spring Break!

We hope you're rested, relaxed, and ready to get back to work. If you haven't found an internship for this summer, we've got you covered! Check out the Owl Edge internships.
below, or click here to see internships available to Rice students across all industries (in Handshake)! But hurry -- some applications are due this week!

Missed an edition of the CCD newsletter? We now have an archive on our website. Check it out here!

That's What's Up
Fun stuff, important stuff, all the stuff

How to Make the Most of My Career

4pm, Huff House 107
Tuesday, March 21

Gain powerful tools to position you for career success. While it seems light-years away, preparing yourself for a career is an extremely important part of your professional success. We will discuss strategies for managing expectations and success boosters that could strategically position you for career success. RSVP here.

The Texas Job Fair

Get connected. Get hired.

Learn more, view the list of companies attending, or register here. To prepare for the Texas Job Fair, make an appointment with a career counselor in Handshake here.

Date: Tuesday, March 28, 2017
Time: 10:00 AM - 3:00 PM
Internships and Externships

Institute for Spirituality and Health

Interested in increasing the awareness of the role spirituality plays in health and healing?

The Institute for Spirituality and Health at the Texas Medical Center is seeking a summer intern for research and project management in regard to coping with chronic illness and maintaining optimal health through spirituality. Learn more or apply [here](#).

Cedar Park Fire Department

Interested in public safety or management?

The Cedar Park Fire Department is seeking a management intern during the summer to help develop planning documents, revise risk assessments, calculate response times, and more.

Learn more or apply [here](#).
Texana Center

Thursday, March 24

Join Dr. Claire Friedman (parent of a Rice student) and Dr. Soderstrom of Texana Center for an externship, where you will learn about careers in psychiatry, their career paths and work-life balance. You do not need to be a part of the externship program to attend this event. RSVP here (required).

Business Intelligence Co-Op

Interested in data analysis in regard to sports or entertainment?

The Business Intelligence Co-Op is hiring a summer intern in the intelligence department of the Kraft Analytics Group (KAGR) to help solve integration and data problems. Learn more or apply here.

Unpaid Internship?

If you have secured (or, are in the process of securing) an unpaid or underpaid summer experience, you may be eligible to apply to the 2017 Owl Edge Summer Experience Fund. This fund, created through generous donations from Rice alumni and friends, provides a limited number of qualified students with funding up to $5,000 to help with transportation and/or living expenses incurred as a result of participating in an unpaid or underpaid summer experience. The second deadline is April 1, 2017 at 11:59 pm. Learn more or apply here.

Upcoming Events
Info Sessions

Vega Energy Information Session
5:45 pm, Room 317 Jones Graduate School
Tuesday, March 21
Vega Energy is a small, private energy company seeking a highly motivated employee that is interested in a position in the energy industry. Come hear about our business and how you can help us provide value to our customers and our industry. RSVP here.

JPMorgan 101
4:00 pm, Huff House 107
Thursday, March 23
This event will be an overview of JPMorgan Chase opportunities in Houston for Rice students. Our goal is to provide a 101 on analyst programs and internships. Representatives from Investment Banking, Corporate Client Banking, Commercial Banking and Private Banking will speak to their lines of business and the opportunities for students. Afterwards, we will have a networking event for the students to connect with JPMorgan employees. RSVP.

Workshops

StartUp Career Fair at TMCx
1:00 pm, 2450 Holcombe Blvd. 77021
Friday, March 24
Whether you're looking for an internship or a full-time career, Startup Career Fair connects you with Texas-based startup jobs in the energy, life science, and IT industries. The event is open to students, alumni and experienced professionals from all backgrounds and experience levels. Learn more or register here.

Jobs and Internships
Unique opportunities you might not find in Handshake

Bain Emerging Leaders (BEL)
BEL is a program for current sophomores with at least a 3.3 GPA who are of African American, Latin, or Native American descent. The program will be one week at the end of the summer where students are invited to the Bain office, providing with training, and staffed to a real case team. At the end of that week, there is an opportunity for students to receive a guaranteed interview for the following summer's internship program or even an internship offer. Learn more here.

**Deadline: March 31**
**Cluster: All**

Integrate PR and Social Media Intern
Interns at Integrate can expect to learn the interesting "integration" of PR, social media and marketing from the pros! The chosen candidate will gain practical experience in strategic social media, blog writing, online research, press release writing, developing media contacts, media outreach, and much more. Interns are responsible for monitoring news and social networks, finding and communicating with client's influencers, seeking opportunities for client partnerships, and managing longer-term corporate projects. Learn more here.

**Deadline: Now accepting applications**
**Cluster: Arts, Communication, and Entertainment**

IACMI Internship Program
Are you interested in a cutting-edge manufacturing technologies internship? The Institute for Advanced Composite Manufacturing Innovation (IACMI) has an interest in developing the skills of strong technical undergraduate and graduate students who might one day support the workforce in both talent and leadership. The IACMI Internship Program offers undergraduate and graduate students a chance to participate in a research experience with an assigned mentor at one of IACMI's partner sites. Learn more or apply here.

**Deadline: March 31**
**Cluster: Engineering and Architecture; Computer, Information Technology, and Math**

The Texas Internship Challenge
The Texas Internship Challenge is a partnership between the Texas Workforce Commission (TWC), Texas Education Agency (TEA) and The Higher Education Coordinating Board (THECB). Check out this site for additional summer internship opportunities that you might not find on Handshake. Learn more here.
