Summer internship/experience funding is still available!

If you have secured (or, are in the process of securing) an unpaid or underpaid summer experience, you may be eligible to apply to The 2018 Owl Edge Summer Experience Fund. This fund, created through generous donations from Rice alumni and friends, provides a limited number of qualified students with funding up to $5,000 to help with transportation and/or living expenses incurred as a result of participating in an unpaid or underpaid summer experience.
Rice is a member of the Houston Area Consortium of Career Centers (HACCC). A shuttle will depart from Huff House every hour on the hour beginning at 10am and returning to Rice from Texas Southern University on the half hour. Employers include Disney ABC Television Group, Environmental Solutions Group, Travellers, and the US Department of State.
