The Internship/Job Search Beyond Expo

Maybe you went to Expo and made some great connections, or maybe your dream organization wasn't at Expo at all. Either way, the Center for Career Development wants to empower each and every Rice student to find and make their place in the world -- in every major, school, and college. Here are some of the ways you can continue or start your internship/job search beyond the Expo:

1. **Workshops**
   Attend the [Internship and Job Search Workshop](#) next Monday.

2. **Externships**
   Sign up for a [Winter Break Externship](#), a one to five-day job shadowing experience, that allows you to make great connections with potential employers and explore industries of interest without the long-term commitment.

3. **One-on-one exploration**
   Some industries don't recruit at Rice as frequently due to cost, timing, or industry practice -- don't worry! Schedule an appointment with a career counselor to strategize about best practices, industry-specific hiring timelines, or ways to get connected in your field of interest. CCD career counselors have a variety of resources and tools at their disposal to help you navigate the often stressful internship/job search and develop an individualized plan. **Even if you're interested in a career not commonly talked about on campus, career counselors can help you find a career aligned with your passions and values!**

4. **Online resources**
   The CCD has an online gallery of career resources for you to take advantage of [here](#). Don't forget to check out the variety of resources for industry and organizational research in [Handshake](#) too!
Arts, Communication, and Entertainment, Oh My!

In this workshop, you will have the chance to ask questions and gain insight from alumni in the Arts, Communication, and Entertainment industries. Lunch is provided. Learn more or RSVP.

The CCD will be hosting "Exploring Career Clusters" all year, with a different cluster event each month!

The Career Crawl is back!

We had a blast visiting purpose-driven companies in Austin last semester. October 10, we will be visiting INNOVATION companies in Houston. For more information or to apply, click here.

Don't know which fork to use at a lunch interview?

Business Etiquette Lunch
October 14, McMurtry Commons
11am - 1pm

Student cost: $10.00 (includes lunch)

Second interviews are routinely conducted over a meal. Join Diane Gottsman from the Protocol School of Texas to learn about improving your professional image and marketability during this crucial part of the recruiting process. Topics include dining etiquette, managing introductions and basic conversation skills. Students
