The Rundown

Quick, career-related highlights for the week

Tips for your externship application

Check out this great video!

In order to maximize your chances of being matched, remember to apply to all opportunities of interest. Your resume doesn’t have to be perfect, but your paragraph needs to indicate interest (and, yes, you need to write a different paragraph for each opportunity to which you apply).

We also recommend ranking your externships of interest in your paragraph.

Deadline: November 14 at 11:59pm

Rebecca Francis ’20 (Poli Sci & CAAM) did her externship at Design, Connect, Create
Grad Students: Workshop

Grad-Focus: Careers in Tech
Friday, November 17
12:00 - 1:00pm, Huff House 107

Apply your graduate education and experience in the Tech industry. Whether you are about to receive your PhD in Linguistics or your Professional Masters in Computer Science, the Tech industry has opportunities from you. Learn from Rice University Alumni who have successfully made the transition from graduate school/academia to diverse careers in the Tech industry. RSVP in Handshake.

Need your resume reviewed?

If you are unable to make an appointment with a counselor before November 14 at 11:59pm (when externship applications are due), don't worry! The CCD's team of Peer Career Advisors is here to help!

Check out the posters in your college to see who can help you with resume reviews, what to wear to an interview, and more!

The CCD also has drop-in hours from 12-1pm, M-F when classes are in session.
Featured jobs, internships, and opportunities

Think of these deadlines as rolling. Often, the earlier you apply, the more likely you will be considered.
