Finish Strong!

The snow won't last long

It's the final stretch of the semester, and things can start to feel like they're snowballing. Don't worry -- you got this! Even if you didn't have a chance to enjoy the 1/2 inch of snowy Texas winter, you can still keep your body and mind "finals week fit" by getting enough sleep, spending time outside, and eating well!

For more finals week survival tips, check out the article from Time Magazine [here](#).
