2025 Owl Edge Summer Experience Budget Worksheet

Determine your anticipated expenses and financial resources to the best of your ability. Please describe your arrangements for each budget category and include a dollar amount estimate of all costs. You must calculate Total Requested Funds. After you complete the budget sheet, save it, then you can upload it as "Other Document" in your Handshake application.

*Keep in mind that the goal of this fund is to enable students to participate in a low-paying or unpaid summer experience. To maximize distributions of funds to as many students as possible, be thoughtful in your approximations. If you need more space for explanation, use your essay or the Google Form. If you have questions, contact Alexander Rodriguez (ar150@rice.edu). Please complete all questions.
